

Production Associate Job Description

Southern Distilling Company. A family-owned, large volume distillery located in Statesville, NC, manufacturing whiskeys, rums, and agave spirits as well as providing barrel warehousing and co-packaging services. We're looking for an ideal candidate (you) to join our family. Versatile, ambitious, self-tasked individuals who are open to a fluid daily schedule with a keen attention to detail are perfect for this job.

The Production Associate requires a wide set of skills. You'll work with others on the production team which is responsible for duties related to distilling operations including but not limited to:

- Mashing, fermenting, and distilling
- Barrel filling and handling
- Oversee grain handling equipment including hoppers, augers, silos, and mill
- Material receiving and shipping
- Forklift operation
- Will work in other areas of the distillery as needed
- Maintain the distillery's high quality and production standards

Qualifications/Requirements

Required Qualifications

- High School diploma or GED equivalent
- Ability to multitask
- Detail oriented and demonstrated ability to perform work with high degree of accuracy
- Valid driver's license
- At least 21 years of age

Preferred Requirements

- Two (2) years manufacturing experience
- Ability to communicate with all levels of an organization
- Ability to quickly learn new systems/processes
- Strong interpersonal skills

Physical Requirements

- Capable of working on your feet, sitting, climbing stairs and ladders, bending, kneeling, and squatting
- Ability to pick up and/or move objects up to 50 pounds without assistance
- Ability to work in non-conditioned environments
- Ability to work overtime if necessary
